I hereby give my consent to be photographed, recorded, and/or videotaped for use by the Contemporary Arts Museum Houston in the production of any and all media for marketing and/or educational purposes. This may include use of my image on the Museum's printed materials, website, or social networking sites such as Facebook.

In giving my consent for my photograph or video to be used by the Museum, I waive any current and future claims against the Museum, financial and otherwise, and release the Museum from any obligations to me currently or in the future for compensation for use of my photographic image or likeness.

By signing below the Speaker gives the Museum an irrevocable, royalty-free, non-exclusive license to use, display, publish, exhibit, and distribute all or portions of the photographs, films, videotapes, audio recordings and copies of images recorded from the Engagement.

In addition, all press requests and visits need to be pre-approved and coordinated through CAMH's Communications and Marketing Department.
